

## Christian Light Foundation Costa Rica

Evangelism and Discipleship  
Together in the joy of the Lord

As we continue in this year, our goal will be to effectively share ways you can better partner with our family through prayer. We daily feel the effects of your prayers and are very thankful for your prayer ministry. We actually would be utterly ineffective in ministry without the strength we receive from your prayers.

Please pray this month in this way:

- Pray for the new discipleship groups that have started in Tejarcillos and in the areas of the Pines and Jazmín. Pray for the adults and youth that are studying God's Word in weekly discipleship classes. Pray that they would not be distracted by things of the world. Pray that God's word would take deep root in their hearts and that their young faith would grow and bloom and their lives would prove to be long-lasting fruit. Pray especially for the new discipleship class that we have with three married couples from the church of Tejarcillos.
- Pray for God to grant Matt wisdom as he seeks God's will for the ministry of Tejarcillos. Pray as he works daily with Pastor Rogelio. Pray for unity in their thoughts, harmony in their dealings, and transparency in their communication. Pray that God would be glorified through all they do and say. Pray for Matt as he begins the process of visiting each discipleship group and gathering and entering information from each disciple about their level and progress in their respective groups. This year, we seek to guard the vision of the ministry in each and every area of the church. Pray also for Matt as he takes over leading the youth leaders of the church. Pray for clarity in speech and language, wisdom, and for the balance between love and grace he will need to effectively lead them. Pray also for God to direct Matt to those new youth that have potential to be future leaders of the church. Pray for Matt as he leads our family in our relationships with Jesus. Pray for him to be the head of our house as Christ calls him to be.
- Praise God with us for providing funds for our travel through August 2009. Please pray as we seek new partnerships this year. Please pray God would go before us to prepare the paths, and the hearts of those he will call into partnerships with the ministry and guide us with wisdom about our next visit to the states.
- Please pray for Brooke as she continues to struggle with being a wife and mother and caring for our home as well as being the teacher to our children. Pray as she prepares to begin schooling with Audrey as well. Pray as she disciples several young girls from the Pines and Jazmín. Pray that she maintains the balance between family and ministry and keeps her family responsibilities first.
- Pray for Ethan. At eight years old, God is developing in him a great faith, and as his parents, we are greatly encouraged. Please pray that Ethan will mature daily in his faith. Pray that Ethan will desire to seek God daily and be obedient to his word. Pray God will give him understanding as he begins to study the Bible and continues in a daily devotional time with him.
- Pray for Isabelle to have continued good health and free from any asthma-related problems.
- Praise God for Audrey's recent interest in school and for him to be growing a love for learning in her little four year old mind.
- Pray for our ministry team as it grows and we receive new team members. Pray this month as the Droke family arrives and for an emotionally healthy transition to life in Costa Rica. Please pray that God would keep our hearts pure. Pray that individually, we would love our God with all of our hearts, all of our strength and all of our souls. Pray that the enemy would have absolutely no foothold amongst our team. Pray that our relationship with Jesus would be first in our lives above all else.

Praise God for the Christmas programs in both Los Guido and Tejarcillos churches. Ethan and Isabelle both made their theatric debut in the Tejarcillos children's dramas.

Praise God for his provision of safety during the VBS, even to the point of a police escort on the last day of VBS in the Pines.

Praise God for the unforgettable smiles and laughter and joy that nearly 900 children experienced during the three weeks of VBS in Los Guido, Tejarcillos and La Carpio. Praise God that the Los Guido and Tejarcillos churches were able to fund the outreaches this year. Praise God for the EWO team and their service in La Carpio.

Praise God for the Los Guido leadership team. Praise God with us for their servant hearts, dedication throughout the three weeks of VBS, and also for their commitment to Jesus. Praise God that He has planted churches with the desire to serve together to further His Kingdom. Pray for their example to the leaders of Tejarcillos and youth in La Carpio.
